INTRODUCTION

Praise be to Allah; we praise Him, seek His help, and ask for His forgiveness. We seek refuge in Allah from the evils within ourselves and from our wrongdoings. Whomsoever Allah guides, none can lead astray, and whomsoever He leaves astray, none can guide. I bear witness that there is no deity but Allah, alone with no partner, and I bear witness that Muhammad is His servant and messenger. May Allah's blessings and peace be upon him, his family, and all his companions. To proceed:

This book aims to teach children the Arabic alphabet. Teachers can guide children in reading each letter and the accompanying word correctly, then encourage them to repeat for further learning and enjoyment(1).

[1] a separate pronunciation guide is provide alongside this book to support accurate arabic.
