STORIES OF THE PROPHETS
INTRODUCTORY LEVEL

NOAH

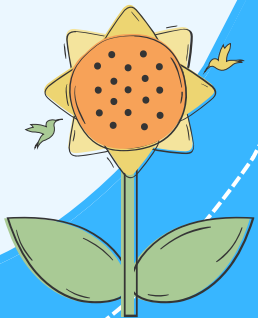

PEACE BE UPON HIM

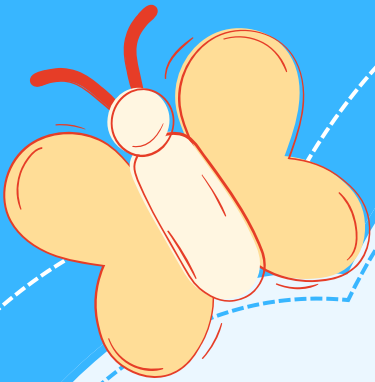

Noah, peace be upon him, is a prophet of Allah Almighty. Allah sent him to the people to command them to worship Allah alone without any partners and to abandon the worship of idols.

The Prophet Noah called his people to Islam for 950 years.

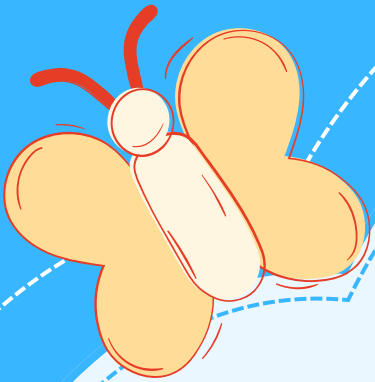

He invited them to believe in Allah Almighty day and night, in secret and openly. His people only mocked and ridiculed him.

Whenever he called them to believe so that Allah might forgive them, they put their fingers in their ears and covered their faces with their clothes so

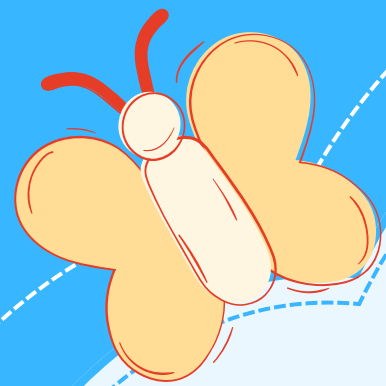

they wouldn't hear or see him,
persisting in their disbelief
in Allah.

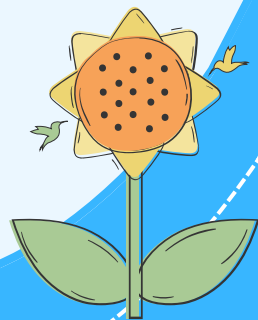

Allah Almighty commanded him
to build a large ark. Prophet Noah
obeyed Allah's command, and
whenever anyone from his people
passed by and saw him building it,
they mocked and insulted him.

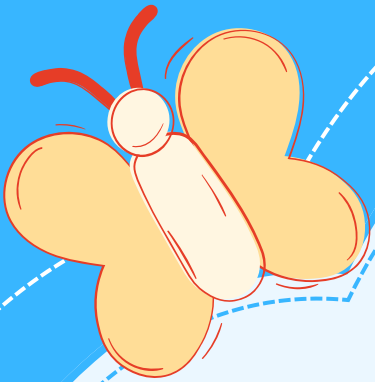

Allah revealed to him that He
would send a great flood.

Whoever believed in Allah alone
would board the ark and be saved
by Allah's command, while those
who remained in their disbelief
and didn't board the ark
would drown.

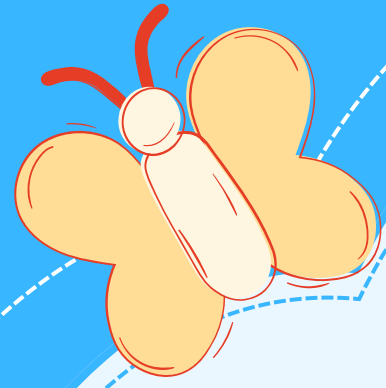

Allah also commanded him to carry in the ark a pair of every bird and animal, and only those who believed in Allah would board it.

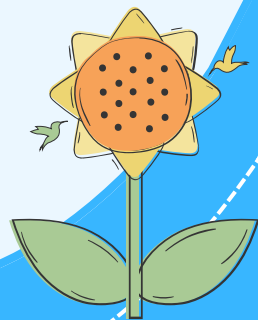

Noah warned the people of Allah's punishment and retribution.

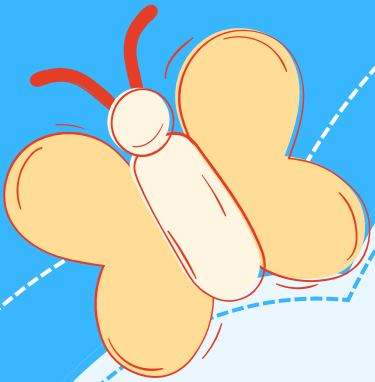

He kept calling his son to believe and board the ark, but his son refused and said he would climb to the mountain and the water wouldn't reach him.

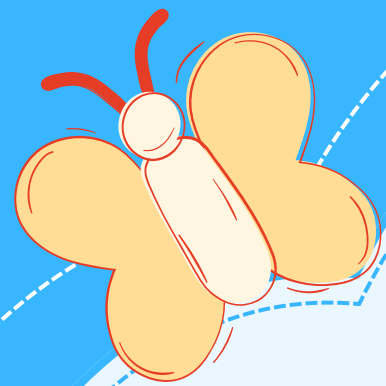

Noah replied that nothing would protect anyone from Allah's command, ..

and those who disbelieved and didn't board the ark would die and then enter Hell, which is a terrible fate.

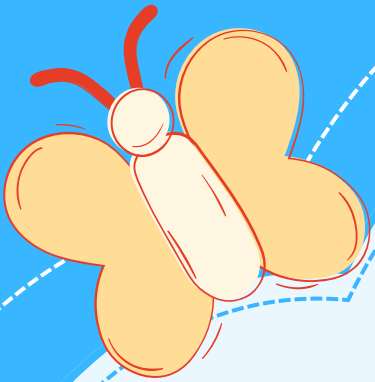

Noah's son stubbornly persisted in his disbelief and drowned with  the disbelievers.

The sky opened, and the earth burst forth with water by Allah's permission, flooding everything and drowning all the disbelievers.

However, the ark carried its passengers safely, and those who boarded it were saved.

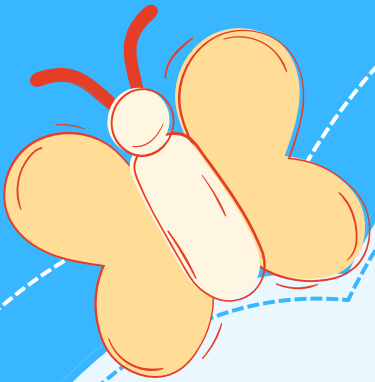

Then Allah commanded the sky to
stop raining and the earth to
swallow its water.

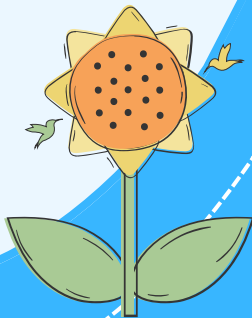

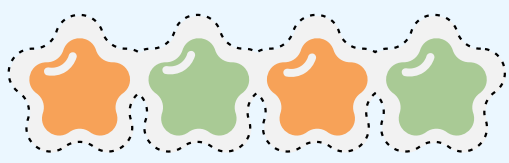

The sky and earth obeyed, and
Noah's ark came to rest on
Mount Judi.

Thus, the Muslims were saved,
and the disbelievers perished.

The bliss of the hereafter for the Muslims is greater, and the punishment of the hereafter for the disbelievers is more severe and greater.
