SALIH

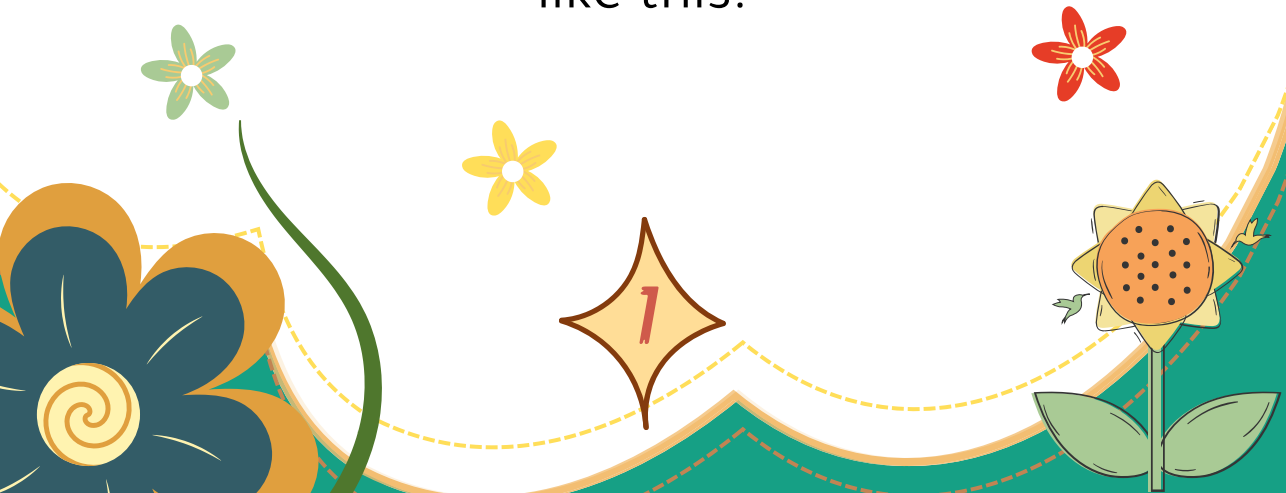

PEACE BE UPON HIM

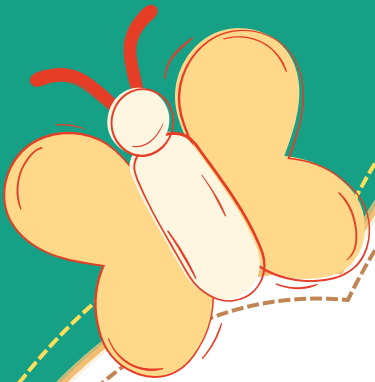

The tribe of Thamud lived in a village filled with blessings that Allah had bestowed upon them.

However, they disbelieved in their Lord and worshipped idols.

Our Merciful Lord did not leave them like this.

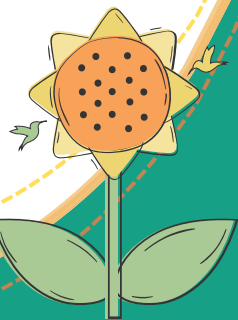

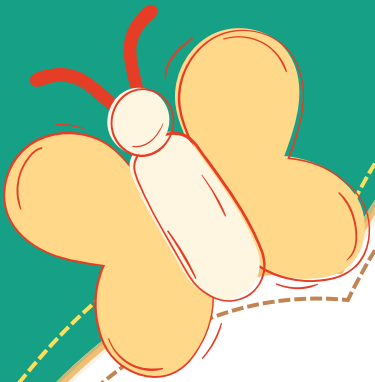

He sent them His prophet Salih
(peace be upon him) to call them to
worship the One and Only Allah, their
Lord, Creator, and Provider. But they
rejected him and didn't believe in

Allah Almighty.

They demanded a miracle from him
that no human could perform, so
they would believe in Allah alone.

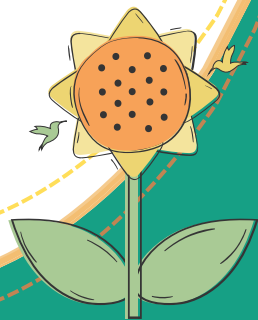

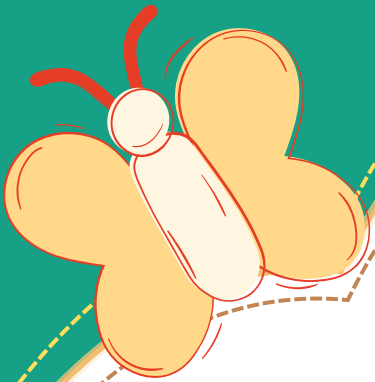

Allah Almighty granted him
a miracle. Our Merciful Lord always
intends good for people and shows
them His signs so that they
may believe.

Prophet Salih asked his people to
gather to witness a sign from Allah.

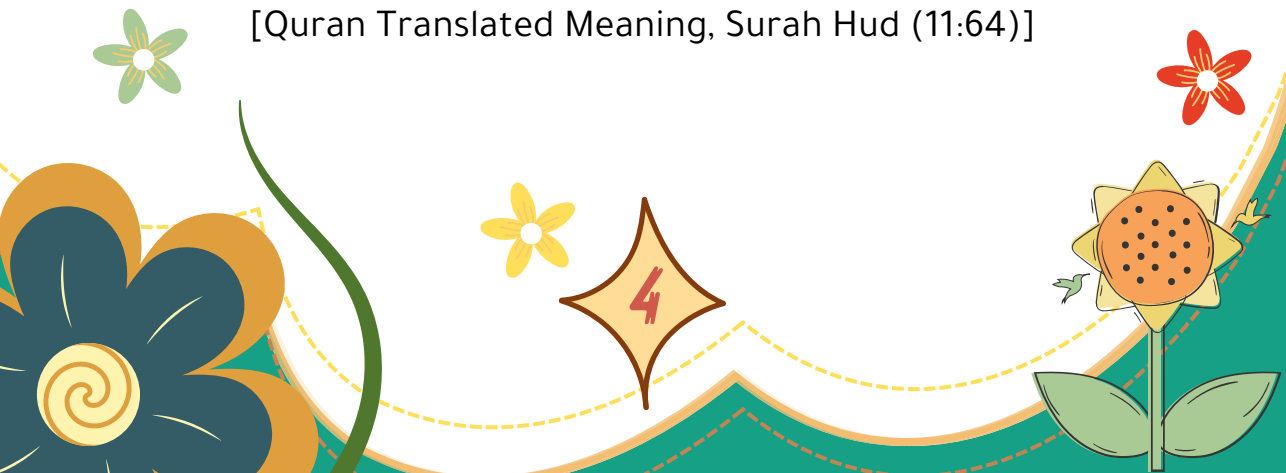

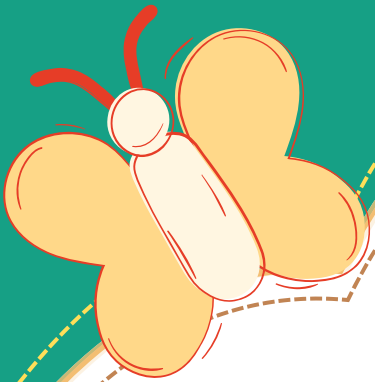

They gathered, and suddenly a she-camel emerged for them.

Salih said to them which can be translated as: "And O my people! This she-camel of Allah is a sign to you, leave her to feed on Allah's earth, and touch her not with evil, lest a near torment will seize you."

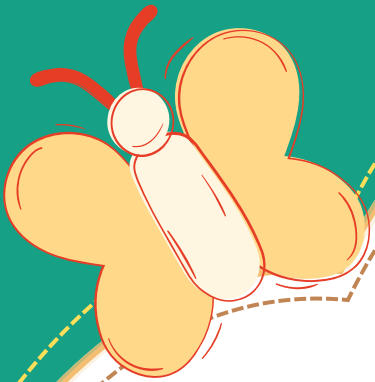

[Quran Translated Meaning, Surah Hud (11:64)]

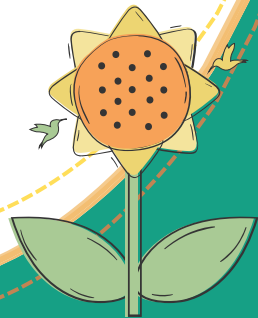

Salih instructed his people not to harm the she-camel lest Allah punish them, but they persisted in their disbelief in Allah and killed the she-camel!

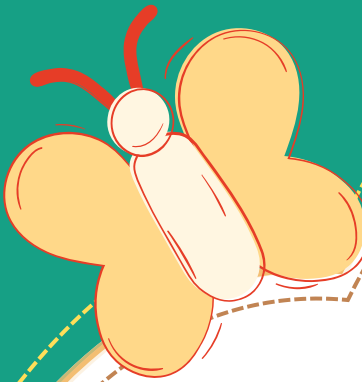

Prophet Salih (peace be upon him) was deeply saddened when he saw the she-camel killed. He warned them of Allah's punishment, the Majestic and Exalted.

Allah Almighty then punished them
for their disbelief with a cry that
destroyed all the disbelievers after
they killed the she-camel.

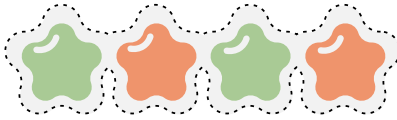

By His permission, He will admit
them into the Fire on the Day
of Judgment.

Allah saved the believers from the punishment. By His permission, He will admit them into Paradise on the Day of Judgment.

Peace be upon Salih!
